PROFILE

Brand & Experience Strategist with 8+ years of experience working across brand, business, and digital experiences. I consult with businesses to understand their challenges, strategise solutions that align brand and business goals, and manage the people and processes that bring those strategies to life.

EXPERIENCE

Brand Manager

10/2025 – Present

GreenBharat 🌱

- Shaped positioning, narrative & communication strategy for a 350+ acre agro-forestry platform with a 13+ year legacy.
- Restructured communication across 2 interconnected business entities, clarifying brand roles and positioning.
- Lead marketing across social, content & digital, aligning Moggly and Ninad Films on design, development & execution.
- Bridged Green Bharat and 3Minds Digital on strategic initiatives, including a ₹30 Cr fundraising pitch.
- Developed performance-driven content & distribution strategy, contributing to 25–35% MoM growth in inbound leads.
- Refined content and creative direction around target audiences, contributing to a 30–40% improvement in lead-generation efficiency.

Brand Strategy

08/2024 – 09/2025

GreenBharat 🌱

- Defined brand positioning, value proposition & messaging aligned with market insights and user behaviour.
- Restructured brand architecture across Green Bharat and WinWin Infra, clarifying roles and brand relationships.
- Translated strategy into a structured digital experience, simplifying navigation and user journeys.
- Rebuilt the website structure and redirected legacy traffic from WinWin Infra, improving continuity across the ecosystem.

Co-founder & Brand Strategy Consultant

03/2020 – 05/2024

Moggly 🌱

- Co-founded Moggly, building a strategy-led design consultancy serving 30+ clients across brand, product & digital experiences.
- Consulted with founders and teams to translate business challenges into brand, product & experience strategies.
- Led positioning, identity, UX and communication for early- and growth-stage businesses across SaaS, B2B, D2C and other sectors.
- Built and managed multidisciplinary teams across strategy, design, development and delivery.
- Led client relationships, proposals and stakeholder alignment from discovery through execution.
- Developed scalable brand and experience systems across digital and offline touchpoints.
