

Mission Statement:

To craft high-quality, sustainable products and achieve pan-India and international recognition.

Vision Statement:

To become a leading global name in premium home furnishings, eventually diversifying into furniture offerings.

about as

BARI (meaning 'home' in Bengali) is a Bilaspur-based handloom brand with over 35 years of legacy in the wholesale market. The business aims to enter the premium home furnishing segment and establish a global online presence through an e-commerce platform. This proposal outlines the strategy, deliverables, and roadmap to position BARI as a premium, organic, and classy brand.
